PROFESSIONAL SUMMARY

I am Ian Nico Caulin, a BSIT student at USTP with a passion for web/app development and design. I have experience in Python, C++, Java, PHP, HTML, CSS, JavaScript, React, Django, Figma, and React Native. I am knowledgeable in machine learning algorithms and have used the GPT API for text and image classification. I have earned badges in Google Cloud for cloud computing, big data, and machine learning. I am familiar with cybersecurity best practices and enjoy learning new skills and collaborating with other developers.

Technical Skill

JavaScript, React, Django,
Figma, React Native, GPT API,
Kali Tools

Soft Skills

Communication, Teamwork,
Problem-solving, Creativity,
Adaptability

Certifications

Google Cloud badges for cloud
computing, CCNAv7, Hack 4
Gov 2023

PROFESSIONAL EXPERIENCE

On-the-Job Training (OJT) DICT Misamis Oriental

February 2024 - May 2024

Gained hands-on experience in developing various systems and managing both computers and personnel. Improved facilitation and public speaking skills through active engagement in team projects and presentations.

Accomplishments:

- Developed systems such as the Document Tracking System (DTS) and AI recognition applications.
- Enhanced communication skills by facilitating and volunteering to train DEVCON Kids about AI and machine learning.

Freelancing Web Developer

November 2022 - Present

Successfully completed various web development projects for clients, organizations, and personal use. Delivered both front-end and back-end development services, including design.

Accomplishments:

- Designed and developed user-friendly websites and applications.
- Collaborated with clients to meet their specific needs and preferences.

Freelancing Photo and Video Editor

2018 - Present

Undertook diverse projects using Premier, Photoshop, Lightroom, and Vegas Pro 14, providing editing services for social media, marketing, education, and entertainment.

Accomplishments:

- Produced high-quality photo and video content for various purposes.
- Enhanced visual storytelling through creative editing technique

ACHIEVEMENTS

- Passed DICT ICT Proficiency Certification Exam Level 1
- Front-end Developer Senior at Progvar (USTP Org)
- Google Cloud Philippines participant
- 4th place in Hack4Gov 2023
- ProgVar Coding Challenge winner in 2021

EDUCATION

Bachelor of Science in Information Technology (BSIT)-Cum Laude

University of Science and Technology of Southern Philippines
(USTP)

2020-2024

Science, Technology, Engineering, and Mathematics (STEM)

Liceo de Cagayan University-Main (LDCU)

2018-2020
